- For your safety in case of emergency, please be prepared to tell the dispatcher your location in the park.
- National Parks are protected areas. Take only pictures, leave only footprints. Shortcuts cause erosion. Please stay on trails.
- Rancho's trail system is a work in progress. Be cautious of uneven trail surface and poison oak growing along trail edges.
- If you encounter coyotes or mountain lions, keep your distance. Keep pets and children supervised, and do not feed coyotes or any other wildlife.

MONTARA AREA

- Bicyclists may not exceed 15mph, and must slow to 5mph at corners or while passing trail users. See signs in park for restrictions.
- Be prepared to encounter equestrians on the trails. Cyclists should yield to equestrians and pedestrians and maintain safe distances.
